

AQUA BLUE/BLACK WSB SELECT[™]

Aquatic dye with simplified application and superior dispersion

ACTIVE INGREDIENT

Proprietary blend of dyes and solvents

% ACTIVE INGREDIENT

100%

FORMULATION

Water soluble bag

EPA REGISTRATION

Not applicable -
Food-grade components

RESTRICTED USE

No

SIGNAL WORD

None

PACKAGING

10 x 4 oz

LABELED USES

Lakes
Ponds
Small water features

AVAILABLE COLORS

Aqua Blue
Aqua Black

Presenting a simple and uncomplicated solution for coloring your pond or water feature. Simply toss in a pack of **Aqua Blue WSB Select[™]** or **Aqua Black WSB Select[™]** and wait for the water soluble pack to dissolve. The unique granular formulation disperses more quickly and more thoroughly than traditional powdered formulations.

PRODUCT BENEFITS

- Convenient 4 oz. water soluble bags
- Up to 12x more efficient than typical liquid dyes
- No direct contact with dye means less mess
- Non-toxic to aquatic species, water fowl and pets
- Water soluble bags dissolve in under 2 minutes
- 1 pack treats up to 1 acre, up to 2 ft. in depth

APPLICATION INFORMATION

1 water soluble bag treats up to 1 acre foot of water.

An acre/foot of water can be determined using the following formula:

Pond length (ft.) x pond width (ft.) x average depth (ft.) / 43,560 ft. = Acre/foot of water
